

Summer Schedule & Registration

New Session Schedule, Registration Information, Rate Increase

In response to an extraordinarily large amount of parent requests and a couple of instructor schedule changes, we have decided to offer two separate sessions during the year, Summer Session and School Year Session. The Summer Session will cover all summer-time classes when children aren't in school (early June through late August), and the School Year Session will run from September through the following early June. This represents a slight change in our continuous enrollment policy, but we feel that it will make scheduling easier for both parents, swimmers, and instructors. Swimmers currently enrolled in the School Year 2021-2022 session will end their classes on Saturday, June 11th. The newly created Summer Session will begin on Sunday, June 12th and run through Wednesday, August 31st. The School Year 2022-2023 Session will begin on Tuesday, September 6th.

The proposed Summer Schedule is shown on the link below. Enrollment for current students will take place on Monday, May 2nd. Enrollment for new families will take place on Monday, May 16th. Contrary to the last enrollment

chance to choose their summer class since the schedule is different.

For the upcoming 2022-2023 School Year session, we will carry over the 2021-2022 School Year enrollment. If you are currently enrolled in lessons, sometime in the summer we will contact your family to see if that spot still works for the upcoming school year, and make adjustments at that time.

In order to continue to provide top-notch swim lessons while keeping class sizes small, retain our extremely talented staff and keep pace with increasing costs, we will raise our rates for the Summer Session. Parent-Tot classes will be \$18, Age Group lessons will be \$27 and Swim Team will be \$28. This is an average monthly increase of \$4-\$6 per child.

Summer Schedule

Upcoming Closed Dates & Wristband Weeks

Little Strokes will be closed for lessons, swim team, water aerobics, and adult swim on the following dates:

MEMORIAL DAY: May 28-31 and June 1-3

4TH OF JULY: July 4

SUMMER BREAK: July 25-31

LABOR DAY: September 1-5

HALLOWEEN: October 31 PM.

THANKSGIVING: November 21-27

WINTER BREAK: December 19-31

Going forward, we will send out an email reminder to currently enrolled swimmers for all closed dates a few days ahead of time. Please continue to check our website and our Facebook page for the most up to date information.

Wristbands will be awarded during the following weeks, which have been changed slightly to accommodate the new Summer/School Year schedule:

June 5-11

Updated safety protocols

NO FOOD OR DRINK DURING SWIM LESSONS

We ask for your cooperation and consideration of our NO FOOD & DRINK policy during swim lessons. Please do not feed your child a snack before or after swim lessons while still on the pool deck or in the locker rooms. The excess amount of goldfish crumbs and sticky juice puddles are wreaking havoc on our pool filters and creating an ant problem. While water bottles are acceptable and encouraged during lessons, please do not bring along juice boxes, smoothies, etc. There is a pergola with a picnic table outside that is available to use for snacks before or after lessons.

Below is an updated list of our COVID protocols. Please note that while this is a loosening of our strict safety measures, we still need to respect and be considerate of social distancing and masking preferences.

- 1 parent/guardian allowed per family, Parent-Tot may have 2. Exceptions are available during less attended times
- Locker rooms and showers are now open.
- Face coverings are recommended and encouraged for ages 2+ when not in the pool.
- Maintain 6' social distance. Chairs are spaced out on the pool deck and children will be placed on separate platform to allow for social distancing
- Bring your own goggles & water bottle. We will have goggles available in an emergency
- Classes end 5 minutes early to allow most people to exit the pool area before the next group enters
- Stay home if you're feeling ill or have a fever; please try to let us know 24 hours before your missed absence
- No parents/guardians allowed in the pool area during swim team so that we can utilize the deck space for dryland exercises

Little Strokes Swim Academy was proudly represented by Ms. Melissa and Ms. Sandy at the recent Wellness and Energy Fair held at the Waunakee Village Center. They provided information regarding our swim lessons, swim team, water aerobics classes, and private pool rentals. They also introduced our Adult Swim Program to many community members, who have since taken advantage of this service!

The relaxing, warm, 91° pool at Little Strokes is ideal for adults who would like to water walk, exercise, lap swim or take time out of their day for warm water therapy. Reserve a lane for one half-hour, self guided session. Monday, Tuesday, Thursday or Friday mornings from 9am-12pm. . The only cost is a donation to our local food pantry or the Waunakee Neighborhood Connection. Don't forget your water bottle and water shoes. Sorry kids, this is for adults only! Please call or text 608-819-0134 to reserve your half hour spot. We are excited to offer two lanes, four days a week for adults to take advantage of this opportunity!
