

Summer Schedule & Registration

New Session Schedule, Registration Information, Rate Increase

Little Strokes Swim Academy offers two separate sessions during the year, Summer Session and School Year Session. Swimmers currently enrolled in the School Year 2022-2023 session will end their classes on Saturday, June 10th. Summer Session will begin on Sunday, June 11th and run through Thursday, August 31st, with the exception of Ms. Emma's classes. Her classes will run from Sunday, June 11th through Friday, July 21st (no August lessons). Emma will return to UW-Madison to continue her collegiate swimming career for the Badgers at that point. The proposed Summer Schedule is shown on the link below.

Registration for current students and waitlisted students will take place on Monday, May 1st at 10AM. All waitlisted but not currently enrolled students wanting to register on May 1st should respond to the email inquiry (being sent this week) so that we can give permission to register before the General Public registration. General public registration will take place on Wednesday, May 10th at 10AM. Please email us at LittleStrokesSwim@gmail.com with any questions before or during registration.

For the upcoming 2023-2024 School Year session (beginning September 6th),

we will contact your family to see if that spot still works for the upcoming school year, and make adjustments at that time. Please note that the 2022-2023 School year enrollment DOES NOT carry over into Summer. If you would like to swim in the summer, you will need to register for a new class.

In order to continue to provide top-notch swim lessons while keeping class sizes small, retain our extremely talented staff and keep pace with increasing costs, we will raise our rates for the 2023 Summer Session. Parent-Tot classes will be \$19, and Age Group lessons and Swim Team will be \$29 per class. This is an average monthly increase of \$4-\$8 per child in group lessons. Child(ren) in private lessons pay for all 3 class spots, or \$87 per class.

CURRENT & WAITLIST REGISTRATION: Monday, May 1st at 10am

New Instructor - Lilly Kaplan

Lilly's passion for the water began with spending time at lake with her family. Not long after, she turned to competitive swimming with WAM and Ozaukee Aquatics. Presently, Lilly still enjoys competing in triathlons and marathons.

Outside of athletics, she has worked in Victims Services for the past several years and has experience working as Police Officer and as an EMT in a hospital setting. In her spare time, Lilly enjoys spending time hiking with her two dogs and learning Spanish.

Policy Reminders

REPORTING ABSENCES

At least 7 days' notice is required for any planned absences, and each swimmer is allowed 2 unplanned absences per year for illness or other unexpected events, provided we are notified before the absence. A makeup lesson will be put on your account for family-generated absences as listed above. Credits will not be given for these family-generated planned and unplanned absences. Additionally, we are unable to provide you with a makeup lesson if you contact us after you've already missed your lesson. Absences submitted through the parent portal will need to be approved by our office staff before they will be made eligible for a makeup.

If Little Strokes cancels lessons because of inclement weather, instructor illness, or chemical issues, etc. a makeup lesson will be placed on your account the following day or shortly thereafter. These Little Strokes-generated makeup lessons can be turned into credits within 60 days of the makeup lesson.

NO FOOD & DRINK (EXCEPT WATER)

We ask for your cooperation and consideration of our NO FOOD & DRINK policy during swim lessons. Please do not feed your child a snack before or after swim lessons while still on the pool deck or in the locker rooms. The excess amount of goldfish crumbs and sticky juice puddles are wreak havoc on our pool filters and create an ant problem. While water bottles are acceptable and encouraged during lessons, please do not bring along juice boxes, smoothies, etc

RINSE OFF SHOWERS REQUIRED

Thank you to everyone who has been taking a shower before getting into the pool! It has helped us keep our chemicals better in balance, but we are still hoping to make improvements. We require that all swimmers take a rinse-off shower before entering the pool, and we request that you take the time to scrub a bit and get your hair wet. Just taking a quick duck under the water doesn't work well enough.
