Labor Day Break September 1st-5th

Just a friendly reminder that we will be closed for Labor Day Break from September 1st-5th. These days off have already been taken into account so

break. The break also represents the end of our Summer Session on August 31st. All activities will resume for the start of our School Year 2023-2024 Session on Wednesday, September 6th.

Ms. Lindsay promoted to full time!

Please join us in congratulating Ms. Lindsay on her promotion to full time! Ms. Lindsay has been an instructor with Little Strokes since 2021, and is currently wrapping up her graduate school studies in UW-Madison's Curriculum & Instruction program. She has proven to be extremely dependable, often substituting for other instructors on very short notice. Ms. Lindsay is well-known for her calm, patient demeanor, and for remaining cool and collected during challenging swims. She is our most-requested private lessons instructor for our swimmers with special needs. If you see her at the pool, be sure to give her a big "Way to Go!"

Frequently Asked Questions & Policy Reminders

While it might seem obvious, if your child is feeling unwell during the day, please do not bring them to lessons if there is a chance they might have an accident in the pool. Over the past couple weeks we've had several parents mention that their child had an upset stomach or diarrhea earlier in the day, and those same children ended up having an accident in the pool requiring us to cancel swim lessons for everyone for the remainder of the day. These cancellations are upsetting and costly to everyone involved, so we are asking for your help in preventing them.

The Frequently Asked Questions portion of our website contains a wealth of knowledge on policies like these, along with a link to the informational welcome packet that gets sent out to new swimmers. Please take a look and let us know if you have any suggestions, additions, or clarifications we can make!

Private Pool Rentals

With the weather cooling down, demand for our private pool rentals is heating up! The entire warm water pool will be reserved just for your group, as we only allow one rental at a time. 15 people (swimming or watching) can have a blast together during family swim time, or throw a birthday party to celebrate a loved one. The cost is \$100/hour with a 1-hour minimum reservation. Private pool rentals are available on Saturdays from 1-7pm, and Sundays from 2:30-4pm. We also offer private pool rentals on certain dates during our breaks.

The pool is kept at a toasty 91°, measures 28'x42' and slopes from 3.5' to 4.5' deep, so it is the perfect size and temperature for anyone! Noodles, rings, water games, innertubes, a basketball hoop, magic carpet mats and beach balls are all available to play with and are included for free! Feel free to bring along your own water toys to play with and beverages to enjoy – this includes adult beverages, but no glass containers please! No food is allowed inside the facility. Our normal facility restrictions apply to pool rentals, please let us know if you have any questions.

We keep our pool clean using a combination of chlorine and a UV filtration system, perform chemical checks throughout the day, and our air is turned over

Thank you for your continued support! - Bill & Rachel Tygum
