

Winter Break December 19th - January 2nd

PRIVATE POOL RENTALS AVAILABLE!

Little Strokes Swim Academy will take a break from swim lessons, swim team, water aerobics, and adult swim from December 19th - January 2nd in honor of the holidays. Activities will resume on Tuesday, January 3rd. There is no need to schedule a makeup lesson, this break has already been taken into account.

During Winter Break we will again offer our super popular private pool rentals on December 22, 23, 26, 27, 28, 29, 30 and January 2. Rental times are available from 9am until 7pm, and your group will be the only group in the facility! The cost is \$100/hour for around 15-20 people. We also offer private pool rentals most weekends; Saturdays from 1-7pm and Sundays from 2-3pm and 6-7pm. Send us an [email](#) to reserve your spot!

Help keep our chemicals in balance

Thank you to everyone who has been taking a shower before getting into the pool! It has helped us keep our chemicals better in balance, but we are still hoping to make improvements. We require that all swimmers take a rinse-off shower before entering the pool, and we request that you take the time to scrub a bit and get your hair wet. Just taking a quick duck under the water doesn't

We also ask that parents check their children's swim diapers during and after lessons, and notify us immediately of any accidents. Please also keep an eye on your child during lessons, for any signs that they might need to go to the bathroom. These preventative actions will help keep our chemicals in check and prevent pool closures.

Open Classes & Makeup Spots Available!

Weekday, Weeknight and Weekend!

While they have been in short supply for a very long time, we are pleased to announce that we have LOTS of open classes and makeup spots available, including weekends and weeknights! Please send us an [email](#) if you're looking for a specific day or time, occasionally we are able to change a class level to suit your needs.

Policy Change - Allowed Absences for 2023

Starting in January 2023, we will need 7 days notice for any planned absences, and we will also allow each swimmer 2 unplanned absences per year for illness or other unexpected events. A makeup lesson will be put on your account for family-generated absences, credits will not be given for these planned and unplanned absences. If Little Strokes cancels lessons because of inclement weather, instructor illness, or chemical issues, etc. we will still provide the choice between a makeup lesson or a credit. *To clarify - credits will not be given for family-generated absences starting in 2023; we will only provide makeup lessons. We need a week's notice for any planned absences, and each swimmer receives 2 "sick days" for unplanned absences.* If absences are not reported at least a week ahead of time, or if you have already used up your 2 sick days, you will still be charged for the lesson. This policy change brings us closer in line with most other swim schools, gymnastics providers, soccer teams, music lessons, etc. regarding absences.

We will also be changing our policy regarding requests for turning makeup lessons on your account into credits. We will not allow makeups to be turned into credits more than 60 days after the missed lesson. We feel that 60 days is

you lose the missed lesson after 60 days. You simply can't request that it be turned into a credit after 60 days have passed.

Thank you for your continued support! - Bill & Rachel Tygum
