

## Changing Classes & General Public Registration

Those families currently registered for Fall 2 lessons wishing to change classes in 2022 can do so on Saturday, December 4th in their Parent Portal. General public registration for new families will begin on Sunday, December 12th. We are moving towards continuous enrollment, so your swimmer will stay in that specific class until they change to a different class or stop swim lessons. In 2022, registration will be on-going and students can register or change classes at any point. The 2022 schedule can be found on our [website](#).

## Continuous Enrollment

In 2022 we will move to continuous enrollment with Jackrabbit. Once your swimmer has registered for a specific class, they will stay enrolled in that class from that point forward unless they'd like to change classes or cancel their enrollment. Occasionally an instructor's schedule may change, and we will work with those families to find an appropriate class. Since lessons are continuous, we will no longer charge per session, but instead will charge per month. Monthly costs are calculated based on the number of each day of the week each month. Tuesday might have 4 classes and Wednesday might have 5. On the 20<sup>th</sup> of the month, your credit card on file will be charged for the upcoming month. (January 2022's lessons will be processed on credit cards on December 20th, 2021). If you would like to take a break from lessons, we need to know at least one month ahead of time to be sure to remove any upcoming credit card processing. No refunds will be given for cancellations with less than a month notice. We will still accept cash and check payments and process credit cards at the office, please login to your parent portal to see your account balance and pay before the month starts.

Since we will no longer have sessions, we will award wristbands 4 times per year. The wristband weeks are: February 20-26, May 21-17, August 25-31, and December 4-10.

The dates lessons will be closed are: January 1, 17. March 18-27. April 16-18. May 28-31. June 1-3. July 4, 25-31. September 1-5. October 31 PM. November 21-27. December 19-31.

## Text/Email Notifications for class cancellations & important info

Thanks to Jackrabbit, we now have the ability to send emails and texts from Jackrabbit to specific audiences, such as current swimmers only, versus our entire mailing list or one at a time. This will enable us to streamline things when lessons are cancelled, or send out important information to lessons at specific days, times, or instructors. When lessons are cancelled our office staff will send out an email and a text to those families affected by the cancellation. Please note – if you have blocked the email address or phone number from Jackrabbit, you will not receive these cancellation notices. The email will come from [noreply@jackrabbittech.com](mailto:noreply@jackrabbittech.com) and the text will come from (920) 313-3663. As always, if you have any questions, please contact us at [LittleStrokesSwim@gmail.com](mailto:LittleStrokesSwim@gmail.com) or send us a text at (608) 819-0134.
