2022-2023 School Year Session Information

If you were enrolled in the 2021-2022 School Year Session, you should have received an email this week regarding your class spot for the upcoming 2022-2023 School Year Session. Please respond to that email before Thursday, July 21st and let us know if you would like to keep your spot, change your spot, or take a break from lessons. If you are keeping the same spot, our staff will enroll your child in the 2022-2023 School Year Session, and your credit card on file will be charged for September's lessons around August 20th. In a few weeks, please login to your Parent Portal account in Jackrabbit to confirm the day, time and instructor. IF WE DO NOT HEAR BACK FROM YOU BY JULY 21ST, WE WILL ASSUME THAT YOU WANT TO KEEP THE SAME SPOT AS THE PREVIOUS SCHOOL YEAR AND WILL ENROLL YOUR CHILD(REN).

If you would like to change spots, were on a waitlist this year, or were enrolled this summer, you can enroll during Priority Registration on Monday, August 8th at 10:00AM.

If you are new to Little Strokes Swim Academy or haven't swum with us in the past year or so, you can enroll during General Public Registration on Monday, August 15th at 10:00AM.

The 2022-2023 School Year Session schedule is still being developed, and will be posted on our website once it is ready. The 2022-2023 School Year Session will run from September 7th, 2022 through June 10th, 2023. You can find all of our schedules and pricing [here](#).

Summer Break

Pool Closed July 25-31

Little Strokes will be closed for lessons, swim team, water aerobics, private pool rentals, and adult swim from Monday, July 25th through Sunday, July 31st. All emails, phone calls and other communications will be responded to upon our return. The pool will reopen on Monday, August 1st. Thank you for allowing our staff this time off to enjoy their families, take a vacation, or simply have fun at WaunaFest!

BIG Splash

GRANT DUFRESNE

Age: 9

Favorite Stroke: Breaststroke

Swimming at Little Strokes Since: 2019

Loves: Playing with his younger sister and dogs, riding his bicycle, being in the water, playing Super Mario Bros. and eating Mac & Cheese

Mr. Bill says: "I don't think anyone is more excited to come through the door at swim lessons than Grant! With his endless positive attitude and good work ethic, Grant improves every time he is in the pool. He can now swim front crawl and backstroke unassisted and is working on his breaststroke and butterfly. Keep up the great work, Grant!!"

New Instructor - Brian Wheaton

Born and raised just outside San Francisco, Brian grew up playing every sport under the sun. In high school, he settled on playing water polo and competitive swimming, specializing in distance events. After his high school career came to an end, Brian started teaching swim lessons at a local swim academy. For over four years, Brian rose through the ranks of the academy, eventually becoming one of the most popular instructors and the assistant head coach of the swim team.

In 2021, Brian moved to Wisconsin to complete his economics degree at UW-Madison. In his free time, Brian enjoys keeping up with Dodgers baseball, playing video games, and relaxing with his two cats. This summer Mr. Brian is teaching lessons on weekends, so please stop in and say hi!

Thank you for your continued support! - Bill & Rachel Tygum
