Updated Summer Schedule

New Hours & Instructors Added!

An updated copy of our Summer Schedule can be found below. We are pleased that we were able to add numerous classes thanks to the hiring of a new instructor and [current University of Wisconsin swimmer](#), Emma Lasecki. Ms. Emma will be working a long shift on Thursday afternoon/evening, and a late morning/early afternoon shift on Sunday for the summer. We are also fortunate that Ms. Lindsay added on Saturday mornings.

Changes to the previous Summer Schedule were also made based on parent requests. If you are unable to find a class that works for your family, please let us know. We are sometimes able to accommodate requests to adjust class levels. Siblings are welcome to join the same class even if they are at a different swim levels. The only exceptions are Parent-Tot and Swim Team. Ms. Emma and Ms. Lindsay have lots of open classes, so let us know if there's something on the schedule we can change to suit your needs!

Summer Schedule

BIG Splash
KELBY HENDERSON

Age: 8

Favorite Stroke: Front Crawl

Swimming at Little Strokes Since: 2015

Loves: His cats, basketball, swimming, biking, and Sonic the Hedgehog

Mr. Jesse says: “Extra Extra read all about it, Kelby is the next Big Splash! Kelby has swam with me for many years, week after week and he always comes to swimming with the mindset of getting better. Kelby has navigated his way through every bracelet. He has the personality to please Mr. Jesse with his great work ethic and listening ears. He wants to get better and improve in all areas, and Kelby loves to do EXTRA! Mr. Jesse has cherished his years he has been able to teach Kelby proper swim techniques, and even throw in a few other learning opportunities.”
