SWIM ACADEMY

Halloween Hours

There will be no swim lessons or swim team after 3pm on Tuesday, October 31st. This closure has already been taken into account so there is no need to schedule a makeup lesson. Enjoy Halloween and trick or treating with your family!

New Instructors

Welcome Rebecca DeCabooter & Anna Baur!

Rebecca has been swimming all her life. Throughout her childhood, she swam on a nearly year-round competitive team called the Hornets. She continued on to swim on her high school team, also called the Hornets, so basically her entire childhood was spent wearing black and yellow sweatshirts with huge wasps on the front. She mostly swam 100 butterfly and 200 IM. As a teen, she worked as a lifeguard and swim instructor at her high school and the local YMCA.

Rebecca earned a B.A. in Journalism from UW-Madison (where she swam laps at the SERF) and a J.D. from DePaul University College of Law in Chicago. She continued to swim recreationally and has been on a couple of Masters Swim Teams. Years ago she found she enjoyed long distance, open water swimming. In between having and raising kids, she completed the Chicago Big Shoulders 5k

teenaged son swam together in the Swim to the Moon 1.2 mile open water swim in Michigan. Rebecca still swims laps as often as she can which goes to show that teaching your kids to swim is a gift that keeps on giving.

Rebecca and her husband Steve have three amazing kids: Patrick, Maddy and Katie, all great swimmers who attend Middleton High School. Rebecca enjoys spending time with her family, traveling, reading and cuddling with her Golden Retriever, Zinnia.

Anna Scott grew up in Saint Louis, where she started competitively swimming at 7 years old for Clayton Shaw Park and later for Rockwood Swim Club. She also competed for her High School team where she was captain her Junior and Senior year, as well as a state qualifier in the 100 Breaststroke and 200 Individual Medley.

restaurants, and spending time with friends. Anna Scott can't wait to share her love of the water with the next generation of swimmers!

Just a friendly reminder that if your child is over the age of 5, they should use the gender locker room they feel is appropriate. There are several changing stations on deck as well as our Family Bathroom to use as alternatives. Please remember, no video taping, video calls, or taking photos in the locker rooms as there are people changing. Thanks for your cooperation!

Private Pool Rentals

With the weather cooling down, demand for our private pool rentals is heating up! The entire warm water pool will be reserved just for your group, as we only allow one rental at a time. 15 people (swimming or watching) can have a blast

rentals are available on Saturdays from 1-7pm, and Sundays from 2:30-4pm. We also offer private pool rentals on certain dates during our breaks.

The pool is kept at a toasty 91°, measures 28'x42' and slopes from 3.5' to 4.5' deep, so it is the perfect size and temperature for anyone! Noodles, rings, water games, innertubes, a basketball hoop, magic carpet mats and beach balls are all available to play with and are included for free! Feel free to bring along your own water toys to play with and beverages to enjoy – this includes adult beverages, but no glass containers please! No food is allowed inside the facility. Our normal facility restrictions apply to pool rentals, please let us know if you have any questions.

We keep our pool clean using a combination of chlorine and a UV filtration system, perform chemical checks throughout the day, and our air is turned over every 45 minutes. This offer is open to anyone, so share this information with your friends and neighbors!
