Meet Mr. Mitch & Ms. Caitlyn!

We are beyond pleased to introduce our two new instructors - Mitch Roberts and Caitlyn Meyer!

Originally from Tennessee, Mitch started swimming at an early age. He swam competitively for 12 years at his neighborhood pool, and for 2 years in high school. His specialties were freestyle, breaststroke, and the 200 IM. He has taught many classes from toddlers to adults over the years.

Mitch attended the University of Tennessee, where he received a Bachelor's in Forensic Anthropology. He also minored in English and Theatre. He's starred in several musical productions, as well as won several acting awards and competitions. Mitch also loves to read and hopes to publish his own book - one of these days. Ten years ago, he moved to Wisconsin to pursue a Bachelor's in Advertising - graduating again in 2016. He has come love his new Wisconsin home. Mitch is very excited to rekindle his love for swimming and teaching, and we are super excited to have him on staff!

Caitlyn fell in love with being in the water at an early age, and at age 15, she got her open water SCUBA certification! She has taught both private and group lessons in addition to lifeguarding at Prairie Athletic Club and college pool. In high school, she earned her second degree black belt and became a karate instructor at Kicks Unlimited. At present time, she teaches for Black Belt Karate Studio and Championship Martial Arts over zoom.

Caitlyn graduated from Carthage College with a BA in Neuroscience, and is currently a biochemist at PPD, spending lots of time in the lab! In her free time, she loves hanging out with her dog, Snoop, and her cat, Gidget. Caitlyn also keeps busy by taking care of many exotic animals including lizards, doves and tarantulas. She is very passionate about teaching and strives to make children blossom into
